

# Safely Transport Medical Equipment with the Asset Return System

The innovative Asset Return System provides a secure way to enable the return of infusion pumps, phototherapy, TENS units, and other expensive equipment to your facility directly from a patient's home. This secure shipback system saves employees time, eliminates expensive pickup trips, optimizes asset utilization, and reduces the risk of lost equipment.

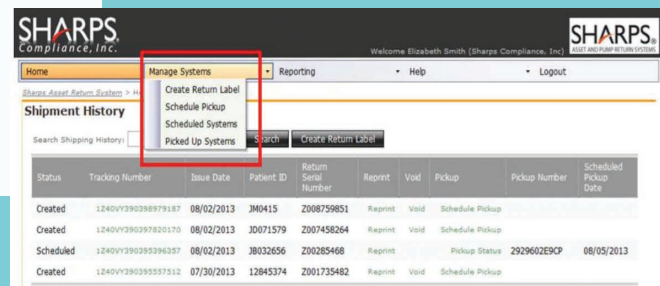

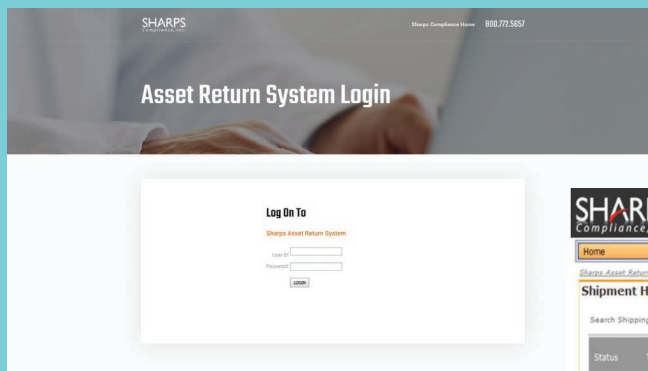

## Asset Return Advantages

- ▶ Special interior foam packaging designed to protect equipment
- ▶ Prepaid return shipping included
- ▶ Insured against loss or damage up to \$2,000
- ▶ Electronic tracking prevents loss or misallocation of assets
- ▶ Complies with all applicable federal, state, and local regulations

## Asset Return Online Portal

Each user or branch location receives a login for the Asset Return website.

- ▶ Create return shipping labels
- ▶ Schedule UPS pickups
- ▶ Track the status of scheduled and picked-up systems
