SPECIAL NOTES:  
 \*mL range is give due to the volume being effected by viscosity, altitude and temperature. For the most accurate measurments please use the grams listed. All nutritional information contained herein is calculated using a 341/per pouch gram weight measurement.  
 \*\*RDI percentages for adults.

%DV/%RDI are calculated per FDA food labeling requirements based on a 2000 calorie/day diet for adults. The Institute of Medicine's DRI reports present RDAs (that differ from the %DV/%RDI) as the average daily dietary intake level sufficient to meet the nutrient requirements of nearly all healthy individuals in a group dependent upon age, gender, and life stage. If planning diets around specific nutrient needs, please make sure to check with your healthcare provider who understands the difference in these values and can provide accurate recommendations.

Liquid Hope Peptide undergoes regular nutritional assessment and lab testing. However, as with any real food product, variations in the nutrient levels can vary depending on time of year, soil, and weather conditions. Although we do our best to provide you with the most accurate nutrient information as possible, if you have a medical condition that requires you to be precise with specific nutrient levels, please discuss the use of this product with your medical team.

## LIQUID HOPE PEPTIDE

The world's first shelf stable organic whole food peptide feeding tube formula.

- Liquid Hope Peptide meets all food safety requirements and meets all GRAS, HACCP, CGMPS standards. Liquid Hope is processed in a FDA/USDA registered facility with USDA inspector on site.  
SID#: 2016-0106/001
- For tube feeding or oral feedings
- For supplemental or sole source nutrition
- Use under medical supervision
- Concentrated calories (1.41 cal/mL) & high protein (20% of calories) formulated to help maintain healthy weight & support lean body tissue maintenance & repair
- Meets 100% RDI for 25 essential vitamins and minerals: four 341g pouches
- 11g of naturally occurring dietary fiber in 341g
- Gluten Free
- Dairy Free
- Soy Free
- Corn Free
- USDA Certified Organic
- 100% GMO Free
- BPA Free Packaging
- Plant-Based
- Safe to use for people with lactose intolerance

## ORDERING INFO:

CASES	PRODUCT CODE	PACKAGING
Liquid Hope Peptide	LHPWS124	24 - 12oz(341g) pouches/case

## SAFETY PRECAUTIONS:

NOT FOR PARENTERAL USE

## ALLERGENS:

- Contains Almonds & Coconuts (Tree Nuts)

## INGREDIENTS:

Filtered water, organic garbanzo beans, organic green peas, organic carrots, organic hydrolyzed pea protein, organic flax oil, organic coconut MCT oil, organic whole grain brown rice, organic sprouted quinoa, vitamin blend  
[Potassium Citrate, Calcium Citrate, Sodium Chloride, Magnesium Sulfate, Choline Bitartrate, Mixed Tocopherols(E), Zinc Citrate, Potassium Iodide, Biotin, Niacinamide(B3), Selenomethionine, Cholecalciferol(D3), Calcium D-Pantothenate(B5), Pyridoxine Hydrochloride(B6), Riboflavin(B2), Thiamine Mononitrate(B1), Methylcobalamin(B12)]  
organic sweet potato, organic acacia fiber, organic broccoli, organic almond butter, organic kale, organic pumpkin seed protein, organic acerola powder, organic garlic, organic turmeric, organic rosemary, organic ginger

## NUTRITIONAL INFORMATION:

Kcal/mL: 1.41  
Caloric Distribution (% of kcal)  
Protein: 20%  
Fat: 52%  
Carbohydrate: 28%

Protein Source: 25g/341g  
organic hydrolyzed pea protein, organic garbanzo beans, organic green peas, organic pumpkin seed protein, organic whole grain brown rice, organic sprouted quinoa, organic almond butter

NPC: N Ratio: 100:1  
Omega-6 to Omega-3 Ratio: 1:2.7  
Osmolality (mOsm/kg water): 397  
Water: 240g

Meets 100% RDI for 25 essential vitamins and minerals: four 341g pouches

Fiber Content/Source: 11g/341g  
organic garbanzo beans, organic acacia fiber, organic green peas, organic carrots, organic hydrolyzed pea protein, organic whole grain brown rice, organic sprouted quinoa, organic sweet potato, organic broccoli, organic kale, organic almond butter

HCPCS Code: B4153  
Insurance Data Bank & Billing Code/NDC Code: 57858-0004-28

Viscosity: Nectar-like at room temperature

## PREPARATION:

### INSTRUCTIONS FOR USE:

- If switching from commercial enteral formula, transition slowly to allow the body time to adapt to the differences in formulas. Replace one serving of Liquid Hope Peptide for one serving of the current formula each day until goal is reached. Most people make a total switch in 7-10 days.
- Liquid Hope Peptide has a 12 hour ambient room temperature hang time.
- Any unopened formula can be stored for up to 2 years at room temperature. Do not store in a hot place.
- Once opened, the formula can be refrigerated in a sealed container for up to 48 hours. Please discard any unused opened formula after 48 hours.
- Some small bore tubes may require product to be warmed and/or diluted.
- Water may be added. If adding water or any liquid, it must be rebled with the product to emulsify in order to prevent separation.
