

Cost-Effective **All-in-One Solution**

Sharps Compliance provides an all-in-one solution for disposing of sharps, chemotherapy waste, and non-controlled, non-hazardous pharmaceuticals. The 2-Gallon Sharps Recovery System is designed for simplified and regulatory-compliant collection, transport, and compliant treatment of needles, empty vials, and syringes and other items contaminated with trace amounts of chemotherapy or other cytotoxic drugs or chemicals.

No contracts or hidden fees – order systems as needed

Easy to package for return, saving patients and employees time

Fully compliant solution that meets standards for sharps, chemotherapy, and non-hazardous pharmaceutical waste disposal

Online recordkeeping and proof of treatment via SharpsTracer available 24/7, giving complete cradle-to-grave data

For more information about medical, pharmaceutical, and hazardous waste disposal solutions, visit www.sharpsinc.com or call **800.772.5657**.
